ADDITIONAL COMMENTS / CLARIFICATIONS

*****NOTE: We are not changing the function of the orthotics in any way. We are merely refurbishing them. For example, if there were no lifts or wedges on the original orthotics, we will not put them on.**

Send orthotic products and the completed form to the address below. We'll email you before starting work. Pay by credit card through Chase, or we accept Zelle. For Chase, we'll email an invoice with a link directly to Chase for payment. Payment is required before we ship the finished product back to you. We'll provide a photo of the completed item.
